

Jesus Starts His Ministry

When Jesus was about 30 years old, it was time for Him to begin to teach people God's message. First, John the Baptist baptized Jesus. This showed that Jesus promised to obey God. Then Jesus was tempted by Satan to do wrong things. Jesus did not do wrong things, and He will help us to do the right thing when we are tempted to do wrong also.

Use the clues and Scripture references below to fill in the crossword puzzle with the correct words.

ACROSS
